2. INTRODUCTION

Higher Education Commission, established with the aim of facilitating the higher education sector to serve as Socio-Economic Engines for the development of Pakistan. To augment its vision, HEC has always believed and encouraged technology as a tool for the higher education sector to leap-frog and catch up with the pace of socio-economic development of the developed world. HEC has always given special focus to Information Technology for the enablement and empowerment of higher education sector. With the increasing proportion of knowledge workers, there is increasing concern for improving the work environment. The productivity of knowledge workers can be improved by providing secretarial help and better communication facilities.

To achieve this HEC has taken a strategic decision to provided latest IT Technology equipment in its premises so that efficiency, accuracy and efficient data management can be achieved along with saving of time and cost.

3. SCOPE OF WORK
