

### Post-Doctoral Fellowship Assessment Proforma

Applicant Name (with Designation)		Age	
Parent Organization		Specialization	
PhD from		Post PhD work experience	
Host University/ Institute		No. of years since award of PhD	
Host Supervisor (Name/Designation)		Ranking of Host University (QS World University Rankings)	

#### **1. EVALUATION OF RESEARCH PROPOSAL:**

**40 Points**

- a. Scientific quality, innovativeness and novelty of research plan (10)
- b. Relevance of the proposed research to contemporary global challenges (10)
- c. Significance of proposed research to national issues/ challenges (10)
- d. Contribution of expected results to social sphere, development of science & technology/  
potential for creation of new knowledge (10)

#### **2. IMPACT:**

**20 Points**

- a. Potential impact on applicant's professional career (5)
- b. Potential of acquiring skills in terms of career development (5)
- c. Transfer of knowledge in and outside parent organization through conferences, publications,  
public outreach activities etc (5)
- d. Ability to create a long-term network/ attract collaborative partners (academia/ industry)  
(5)

#### **3. EVALUATION OF HOST INSTITUTION:**

**20 Points**

- a. Ranking of Host Institution\* (5)
- b. Access to equipment and high impact research collaborators (not available in Pakistan)  
(5)
- c. Standing of host supervisor (5)
- d. Financial waiver (Bench/Tuition fee, experimentation cost etc.) (5\*\*)

\*If the host institution ranking is very high but the specific department where the scholar intends to conduct research is not of high quality, the assigned marks and comments will reflect this disparity.

\*\*If the host institute is charging full fee (USD 6000/- or more), the applicant will get 0 point for this question. 5 indicates that no fee /experimentation cost is involved. If the applicant has been granted a partial waiver but the fee is still around USD 6000/-, this will mean no waiver at all.

**4. COMPETENCE OF RESEARCHER**

**20 Points**

- a. Quality of publications in HEC recognized journals (Impact Factor/ journal categories) (5)
  - b. Impact/ result of the applicant’s past research activities (patents/publications/ teaching) (5)
  - c. Independent thinking, creativity, leadership and mentoring abilities (5)
  - d. Presentation and communication skills (5)
- 

**Obtained Score:** \_\_\_\_\_ **=** \_\_\_\_\_ **Total = 100**

**7. Recommendations:**

**Recommended**     **Resubmit after Modification**     **Not Recommended**
